

This catalogue/web site has been prepared specifically for customers of the publisher and as a general reference only. The information contained herein is subject to change without notice. This catalogue/web site does not imply that any such parts are available for supply.

Parts of this catalogue/web site have been prepared using information supplied by various trade organizations, publications and supplier catalogues. The publisher has taken care to ensure the accuracy of information in this catalogue/web site. Customers are advised to confirm details contained herein and the suitability of the items of their specific needs. No representation or warranty is made or given regarding the ability to substitute one part for another. By fitting the supplied part the purchaser has deemed the product fit for purpose and correct for the application.

The publisher and any party associated with the production of this catalogue/web site do not accept any responsibility or liability whatsoever (to the extent permitted by law) for any inaccuracy, error, misinformation or misleading statements, whether negligently caused or otherwise, contained in this publication.

This publication is protected by copyright and may not be reproduced or copied (using any method of reproduction or copying), sold, transmitted, circulated or otherwise forwarded to third parties, in whole or part, without prior written consent of the author.

All trade marks, registered and product names appearing herein are the property of their respective owners.
